Everybody On

HP Mini 110-4110sp PC

HP recommends Windows® 7.

Go everywhere, and stay connected – without technology weighing you down. With its thin, versatile design, the HP Mini 110 gives you true mobile computing with the freedom and tools to do more of what you want, wherever you want.

Smart design, great style
Let your style shine through with the fun, sophisticated look and design of the HP Mini 110. Choose from three cool colours.

Great size.
The HP Mini is your perfect travel companion, allowing you to surf the web and stay entertained anywhere you go. You'll get a 93% texture-flat keyboard and 25.7 cm (10.1") diagonal screen, plus built-in wireless LAN.

Delivering true value plus performance
The HP Mini 110 is your own portable entertainment centre. Enjoy stunning video and digital audio, or chat with friends via the integrated webcam.

Reliable mobility that's light and portable
It's compact, lightweight and stays powered all day. At less than 3 cm thin and starting at 1.23 kg, it easily fits in backpacks and briefcases. And with its optional 6-cell battery, you'll get more time to surf and play.
